

**REMARKS**

Claims 1-3 are pending. Claim 1 has been amended. Claims 4 and 5 are withdrawn.

Wording in the abstract and specification was objected to under 37 CFR 1.71 as being incomprehensible. This language has been amended to make clear an embodiment of the subject of the invention. Support for the amendments can be found, for example, on page 7 of the application (discussion of "easy removal (peeling) of the optical filter...") and elsewhere throughout the application.

**§ 112 Rejections**

Claim 1-3 stand rejected under 35 USC § 112 as being indefinite. Applicant has amended claim 1 to make more clear what Applicant is claiming.

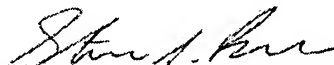

Reconsideration is solicited.

Respectfully submitted,

Date

4/29/09
